Two pretty eyes of brown,

The total sum to crown.

HEMORRHOIDS SORES AND ECZEMA

Accompanied by Terrible Itching—
A Complicated and Most Distressing
Case—Well-known Remedies
Failed to Cure—Doctor Thought
an Operation Necessary—Then

CUTICURA PROVED ITS WONDERFUL EFFICACY

"I am now eighty years old and one morning, three years ago, I was taken with a hard pain in my right side. In two days I had an attack of piles (hemorrhoids), bleeding and protruding. The doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P— remedy; but if I did not use it every day, I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to using the S— remedies. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my flesh. This and the pile trouble brought on an inflamed condition. Then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the irritated surfaces and injected a quantity of Cuticura Suppository Syringe. I also took Cuticura Resolvent Pills three times a day. It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice a week. It is fortunate that I used Cuticura. The treatments I had tried took a lot of money that I would have saved by using Cuticura Remedies sooner, but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. J. H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907."

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults consists of Cuticura Soap (5c.) to Cleanse the Skin, Cuticura Ointment (50c.) to Heal the Skin, and Cuticura Resolvent (50c.) for the removal of Chronic Coated Piles (see per via of 60) to Purify the Blood; also the Cuticura Suppository Syringe (5c.). BEAUTIFUL PAVILION

Annex to Be Erected at Hayswood Hospital—The Institution Developing Splendidly.

The hospital management have in view the erection at an early date of an annex or east wing to be devoted exclusively to surgical purposes. Mr. Isaac Lane, the accomplished architect, has been engaged during the past week upon the plans, specifications and estimates. The new pavilion will be erected upon the vacant space made by the recent fire. It will be modeled after an annex of a famous European establishment and will have a surgical equipment equal to any in the state. The proposed building, which is of elegant design, will front towards the East, with its principal entrance near the Fifth street gate, through which an ambulance may be driven with patients for delivery directly at the pavilion door on the East front. It may be reached from any part of the city in five minutes.

LOUISVILLE, October 10th.

"Mr. J. I. Pence, Greenville, Ky.—My Dear Sir: In no campaign of recent years in Kentucky or anywhere in the Southland has it been necessary to make a special appeal to the Confederate Soldier to rally to the support of the candidates of the Democracy in a contest with the common enemy, the Republican party.

"The Democratic candidates and the members of their Campaign Committee do not feel that such a step is necessary this year to secure the presence of the veterans at the polls in November next, and the sending of this letter and the inclosed circular to you is only for your information as to certain claims which are being made upon the stump by the Republican gubernatorial nominee and his associates on that ticket. The chief of these claims is that the Republican ticket will receive 80% of the votes cast by Confederate soldiers. We do not believe this to be true, and have gone to the trouble to make an investigation. The truth is given regarding the matter through speeches of two well known and distinguished Confederates. Please read this circular carefully, as it gives the result of the investigation made.

Very truly yours,
HENRY B. HINES, Chairman."

MR. PENCE'S REPLY.

The following is the reply of J. I. Pence of Greenville, Ky.:

GREENVILLE, Ky., October 18th, 1907.

"Mr. Henry B. Hines, Chairman Democratic Committee, Louisville, Ky.—My Dear Sir: Replying to yours of October 10th, in which you make an appeal to the old Confederates to stand for the Democratic ticket, I will say that I exchanged the comforts and endearments of home for the hardships and perils of the soldier's life, and following the indomitable Basil Duke for four years, freezing, starving and fighting the enemy, of which service I have never been ashamed. Returning to my home I voted the Democratic ticket as long as there was such an organization, but when it became a machine, and they relegated to the rear such Democrats and comrades as Buckner, Basil Duke, McCreary, Hayes and Blackburn and substituted in their places, Hager and Haley I think best to follow my old commander, Basil Duke, by voting for Augustus E. Willson and the entire Republican ticket on November 5th, 1907.

"I wish it understood that I do not compromise my Democratic principles by so voting in this election.

"As to the per cent. of old Confederates that will do likewise I cannot say, but I know of but one that was a regular soldier, who will not vote the Republican ticket.

"J. I. PENCE, Ex-Confederate."

The work on the building, it is expected, will be started early in the spring.

SOCIAL EVENTS

Ashland Independent.

The reception given last evening by the congregation of the First Methodist Church, South, to their new Pastor, the Rev. Felix K. Struve, and his charming wife, was attended with the customary cordiality that characterizes all of the social affairs of this Church. The guests were met by Miss Retta Geiger and were by her introduced to the receiving line, including, Rev. and Mrs. Struve, and their guests, Mr. and Mrs. James Houston Hall of Maysville, Mrs. O. F. L. Beckett, Mrs. Nannie Montague, Mrs. F. H. McClung and M. W. Thomas, who extended the heartiest greetings to all. An enjoyable musical program was rendered by a number of the young folks and coffee and doughnuts were served. The Rev. and Mrs. Struve were remembered quite substantially with canned fruits and jelly and a quantity of the daintiest linen and china, which was a surprise greatly appreciated by the Pastor and his wife.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach catarrh and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I find that Cascarets relieve more in a day than all the others I have taken would in a year."

IN THE CHARACTER OF THE
Men's, Young Men's and Boys' CLOTHING

This store fulfills the highest possible mission of a modern retail establishment, in fact, our ambition is not so much to have the biggest business as it is to have the best business in the city. If bigness comes, as it often does from a policy of creating a new standard of quality, then we accept bigness as the result of our efforts rather than the object of them. If you want distinction in your clothes, a style and pattern that will separate you from ordinary dressers, appearance that gives an air of refinement, there is but one store to visit.

OUR CLOTHING IS NO BETTER than our SHOES

For we are the leaders in both lines. The Crossette, the Stetson, the M. & K., the three best Shoes made. Prices range FROM \$3 to \$6.

TWICE-TOLD TESTIMONY.
Maysville People Are Doing All They Can for Fellow Sufferers.

Maysville testimony has been published to prove the merit of Doan's Kidney Pills to others in Maysville who suffer from bad backs and kidney ills. Let any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Maysville people saying that the cures they told of years ago were permanent. Here's a Maysville case:

Henry Bertram, shoemaker, of 27 East Third street, Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills I had suffered for some time with backache and a tired feeling and having aching in and about the kidneys. Being a shoemaker, I thought my trouble was caused by my work for every time I took cold it settled in my back. Doan's Kidney Pills quickly rid me of the trouble and never, from that time to this, have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and I will say that in my opinion there is no remedy for kidney disorders equal to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
